- Fast charging: 25W

#### 2.3 Connectivity

Stay connected with the latest connectivity options:

- 5G support

- Wi-Fi 6
- Bluetooth 5.2
- NFC

## Chapter 3: Troubleshooting

### 3.1 Common Issues

If you experience any issues with your XYZ Smartphone, refer to the troubleshooting steps below:

- Device won't turn on: Ensure the device is charged and press the power button for 10 seconds.
- Poor battery life: Check for battery-draining apps and disable features like Bluetooth and Wi-Fi when not in use.
- Connectivity problems: Restart your router or modem and ensure your device's software is up to date.
